

FOR THE PURPOSE OF SUSTAINING OUR FREE REPUBLIC  
**A FREE TERRITORY ALLIANCE**  
FOR AND BY THE PEOPLE OF THE  
**UNITED STATES OF AMERICA**  
IN PUBLIC AND WITHOUT RESERVATION

In the Course of human events, history warns whenever an oppressed people rise up and claim their freedom, a repeating cycle of learned helplessness will evolve. Wherein a free citizenry chooses to turn to comfort instead of service, the slow and subversive lie of tyranny will repeatedly rise and subvert the God given natural laws of freedom. As a result, those free people who become entitled will face the inevitable choice between a free life, or to wallow in the lie oppressed people tell themselves in the dead of night, so as not to feel enslaved.

For anyone that chooses a free life, so must they also shoulder the burden of the nation's wellbeing by participating in the sacrifice and service freedom demands; never forgetting that free people will inevitably be confronted through the ages by the lie of tyranny. As such, awareness and a steadfast guard of freedom must be deliberately maintained and passed from generation to generation, lest it be given away to the wolves of the world who lie in wait at our doorstep, and even within our borders.

Therefore, let it be known by all who claim the right of citizenship of this nation, that this awareness and steadfast guard of freedom we refer to is not simply a mindset, but a physical decision to stand at the ready and refuse capitulation to any other form of government not mentioned in the founding documents of the United States of America. What was written then in the nations Declaration of Independence shall be repeated here in order to reestablish that which the founders understood, "that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, that whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it."

May these original standards of freedom once again stand as the unwavering foundation for this Free Territory Alliance, to ensure a free and democratic nation that will not be given over to any tyrannical forms of government, regardless of how their authority was acquired, be it through trickery or vote. Let those that pledge to join this alliance, be they a common citizen or someone in a position of authority, honor this commitment of assistance and safe haven from those forces that desire power and authority for the purpose of dominion over freedom. May all who pledge here stand as one people, not as a collective ideology, but as a collection of free minds. And for the support of this Alliance, We The People shall once again mutually pledge to each other "our Lives, our Fortunes and our sacred Honor," claiming the right of protection under the watchful eyes of God.

Let it be known, free of malice or pressure, I swear to support and defend the Constitution of the United States of America and the freedoms listed therein, against all enemies be they foreign or domestic. That I pledge not to capitulate to any other form of government beyond that which is defined in our nation's founding documents. I swear this in front of all the citizenry and God himself, that I shall be held to this oath by the same. And as such, I shall sign my name on this alliance that it may be known I made this pledge and commitment, which I intend to uphold, so help me God.
